Task 1

Information

Does age matter?

There are different things you can and can't do at certain ages. For example, you can't vote until you're 18 but you can learn to drive at 17.

People can leave home at 16 but have to be 18 to buy alcohol or get a tattoo.

Is this fair? Send us your articles explaining your views.

Writing Task

Write an article for your college/workplace/school newsletter about whether you think age restrictions are fair.

In your article, you should:

- say what you think about current age restrictions
- give detailed reasons for your views
- explain the changes you would like to see.

You should aim to write about 250 to 300 words.
