Recruitment, Selection and Vetting Policy

Intech Centre is a leading training, careers advice and examination centre offering both funded and private services to adults.

The Company is committed to a policy of equality of opportunity in its recruitment practices and opposes all forms of unlawful or unfair discrimination, direct or indirect - firstly, to ensure that no registering applicant is less fairly treated in any situation because of age, sexual orientation, religious beliefs, disability, gender, gender reassignment, marital and civil partnership status, race or any other condition not relevant to the performance of the job. Company policy therefore aims:

- To provide full confidence to candidates of our best intentions to ensure we recruit good quality employees to support the needs of our clients
- To confirm our commitment to safeguarding and promoting the welfare of all clients
- To confirm our expectation for all staff and registering candidates to share this commitment.

The safety and welfare of our clients is considered at all times and it is our policy to ensure that all relevant pre-registration checks are carried out by staff prior to employment. These checks include the following;

- Interviewed
- Has a current DBS or are in the process of obtaining one/status check
- Qualifications verified
- Two written references
- The National College for Teaching and Leadership Registration
- Have permission to work in the UK
- Identity check
- Health Declaration

Compliance with Statutory Guidance

Intech Centre's Recruitment, Selection and Vetting Policy complies fully with Keeping Children Safe in Education (KCSiE 2024), Working Together to Safeguard Children 2018, the Education Act 2002 Section 175 and the Counter-Terrorism & Security Act 2015 (Prevent Duty).

Disclosure and Barring Service

All candidates will be subject to:

- Enhanced DBS with Barred List check (where required)
- Prohibition from teaching check via the Teacher Services System for all teaching staff
- Overseas criminal record checks where the candidate has lived or worked abroad for 3 months
- A check of disqualification from childcare (where applicable)
- Full exploration of any gaps in employment, with written records of explanations kept
- Verification of references, including direct contact with referees by phone if required

References

All candidates are required to provide details of at least two references, one of whom must be their previous/current employer and ideally both who are able to comment directly on their performance in the education field. Both referees must be senior (ideally a Head teacher or someone from the SLT) to the candidate and be contactable at their workplace.

Written

We require both references to be in writing prior to employment. Senior Manager will email the references directly to complete an online Reference form.

Verbal

Verbal references may be taken but written verification is required. A candidate may be placed on the strength of one written and one verbal reference. We would normally expect confirmation of a written reference to be received within 7 working days.

Open

Open reference are accepted in addition to two written references. A candidate would not be placed on the strength of an open reference. If the referee is the candidates last employer we would approach them and ask them to verify the contents.

Character

Character- A character reference would only be acceptable in addition to a professional reference. If a candidate has been out of the workplace for a period of time we would accept a character reference.

Qualifications

All candidates must provide evidence that they hold qualified teacher status (QTS, QTLS or a relevant IFL Number) if applying for a teaching role (or other valid qualifications depending on the position they are applying for such as NVQ's, CACHE, etc) and evidence of qualifications that are relevant to the role.

Intech Centre ideally requires original documentation but in absence of this a letter confirming the qualification from the training provider will be accepted.

The National College for Teaching and Leadership (Formerly GTC/Teaching Agency)

All teachers must be registered with the National College of Teaching and Leadership or be in the process of applying. Forms are available and teachers are encouraged to register at interview. We check on a regular basis as to whether the teacher's registration is successful. If the teacher fails to register within an agreed time we make the decision to continue to encourage them to do so and expect this to be done within 1 week of the date of employment.

Candidates are required to complete a medical health declaration at registration. The information given will be kept strictly confidential and used only to access needs in the workplace. NB: If a candidate has been retired on the basis they do not have the health and physical capacity to teach, they can still work as a teacher or related role up to 2.5 days week per week. However, we would need to confirm that the candidate has health and physical capacity to do so before allowing them to do this, via an occupational health assessment or a GP letter confirming they are fit to teach.

Permission to work

In line with UKBA guidance on the prevention of illegal working, Intech Centre ensure that the candidate has been given valid and subsisting leave to be in the UK by the Government and that leave does not restrict them in taking the job in question.
